Full HD 1080p video with a wide-angle lens.

The C2C delivers Full HD 1080p video, and with a 108° ultra-wide-angle lens, it covers a wider range of space, so you can keep an eye on what's valuable to you.

Keep them safe, day and night.

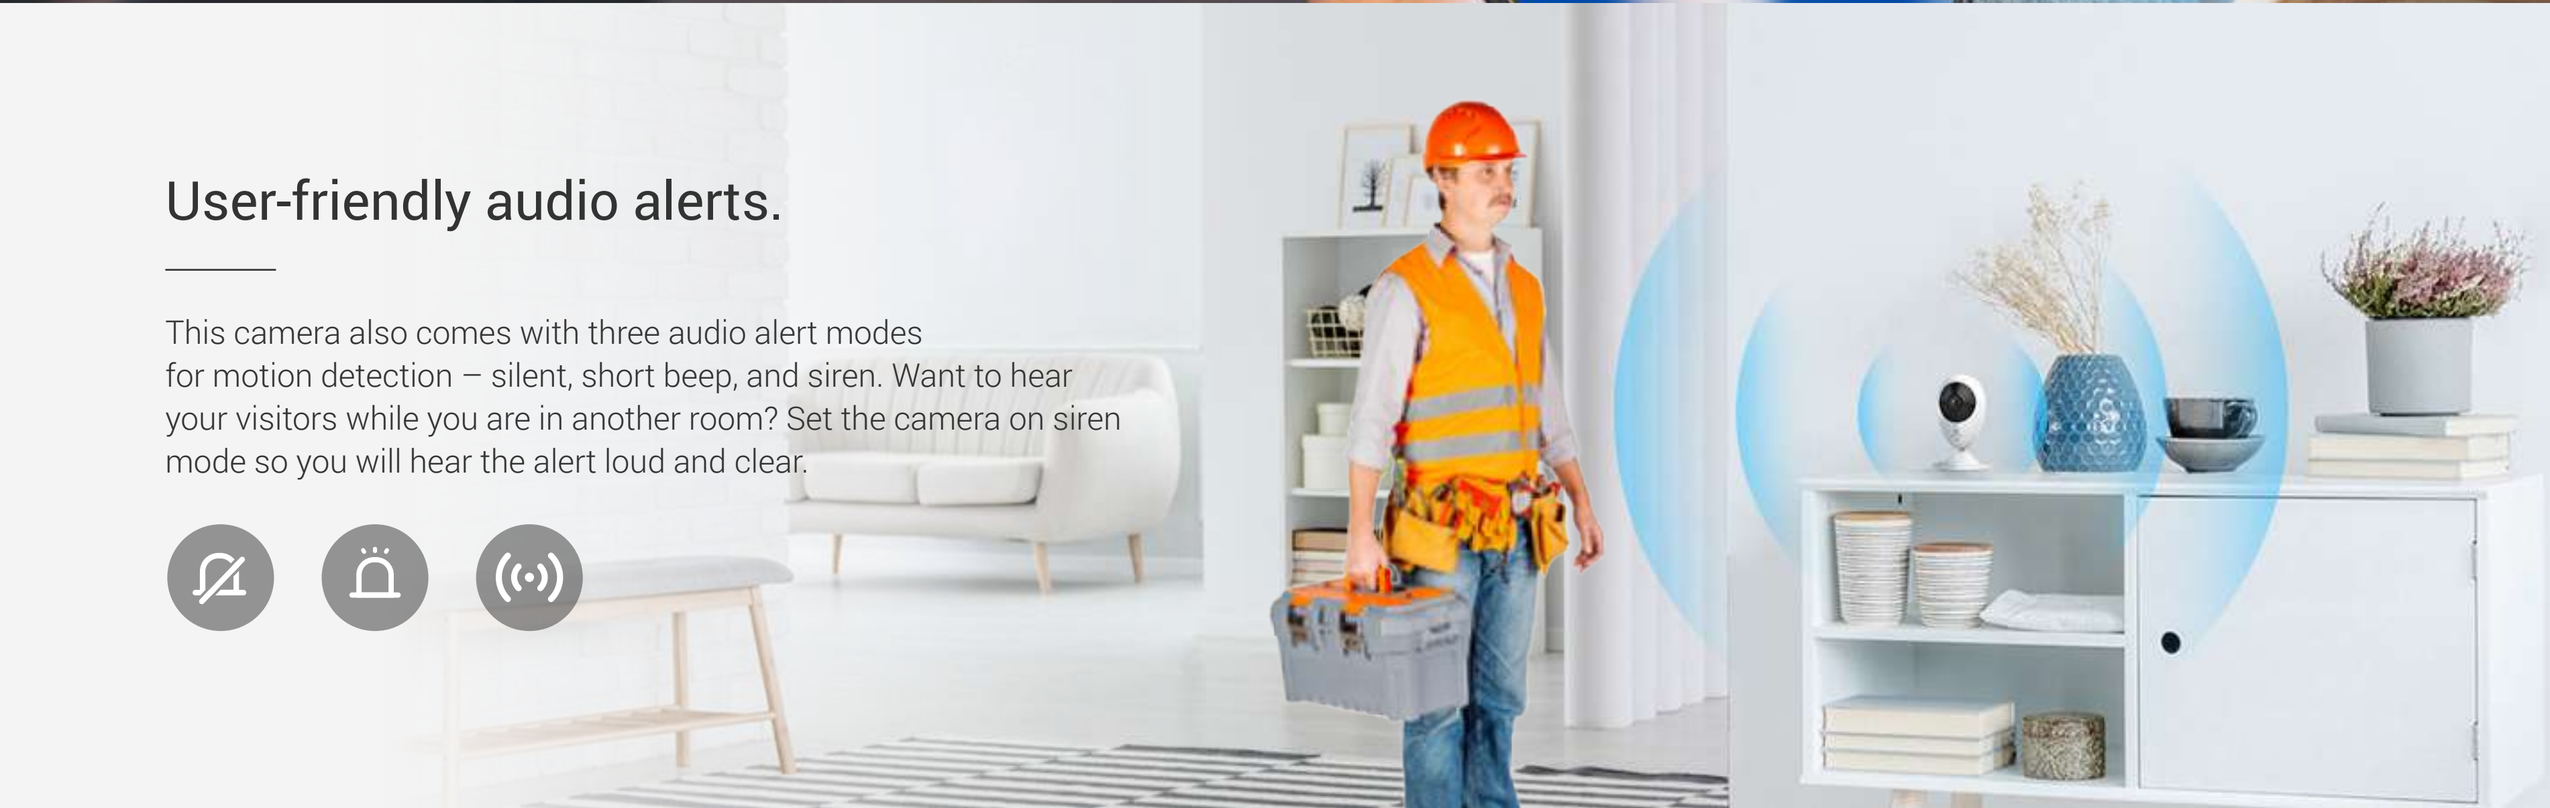
When it's dark, the C2C automatically switches to night vision mode for around-the-clock Full HD video coverage, ensureing a night vision up to10 meters.

Instant alerts.

The C2C watches for movement. It will send instant notifications to your smartphone when it detects motions.

User-friendly audio alerts.

This camera also comes with three audio alert modes for motion detection – silent, short beep, and siren. Want to hear your visitors while you are in another room? Set the camera on siren mode so you will hear the alert loud and clear.



Records only when you need it.

With one tap of the EZVIZ App on your mobile device, you can enable the sleep mode. Pause real-time viewing and recording whenever you need the privacy.

Two-way audio.

The camera comes with a built-in microphone and speaker, enabling two-way audio via the camera and your phone or tablet.

H.265 video technology.

The C2C Camera features the advanced H.265 video compression technology, achieving better video quality with only half the bandwidth and half the storage space of the previous video compression standard (H.264).
